

Salary information for calendar years 2008 and 2009 (estimated) has been compiled based on the records in the Department of Administration Central Payroll and provided below.

A few items to note:

*Calendar year 2008 had 27 pay periods while the calendar year for 2009 only has 26 pay periods; the 2009 annual salaries will be lower by the hours worked for 1 pay period (2 weeks).

*The calendar year 2009 (estimated) salaries were calculated to include 32 hours of unpaid mandated furlough time.

*Steve Ingham began his appointment with DATCP on November 30, 2008; therefore did not have a full calendar year worth of earnings.

*Cheryl Daniels appointment was increased to full time in 2009, her earnings in 2009 reflect her increase in hours worked.
